

Fall/Winter/Spring Sessions DL Self Paced Courses 2020/2021

On-Site DL Self Paced Learning

Taking an on-site DL Self Paced course is a great option for some students, but it's not for everyone! If you choose this kind of course...

- Choose a weekly time-slot.
- Attend each weekly session. You can attend all or **minimum 1 hour** of the session you have chosen.
- Be self-disciplined enough to work on your own at home with weekly help from your teacher on site at LEC.
- Must complete 10% of your course every month in order to remain active in the course.

Online DL Self Paced Learning

Doing an online course has its benefits and challenges. If you choose this kind of course...

- Enjoy the flexibility of an online course...access at anytime and from anywhere.
- Be self-disciplined enough to work on your own.
- Online course-work is primarily to be completed at home with teacher support at LEC if necessary. All exams are written at LEC.
- Aim to finish at least 10% of your course every month in order to remain active in the course.

Important Information About DL Self Paced Courses

- You can register for DL Self Paced courses between late August and mid-April each school year.
- You may sign up for two DL Self Paced courses at a time. After you have completed 5% of the first two courses, you may sign up for a third one.
- You may be withdrawn from a DL Self Paced course if you do not attend on a weekly basis (On-Site courses) or log-on regularly (Online courses).
- You have three consecutive sessions to finish a DL Self Paced course, the session in which you register and the following two sessions.
